1. The Mazurski canal leading from former East Prussia as far as the Vistula River, is poorly exploited in its present state. The course of this waterway passes the town of Wegorzewo, Lake Mamry, Lake Sniardwy, the Pisa River, Narew River, and the Vistula River.
2. During the navigable season approximately 120 barges of 150 tons pass along this route. Work on regulating the Pisa River and the canals linking the lakes is due to start in 1954.
